

Papaya Installation Instructions:

- Box 1 is the 6" Core and the cover. (The Cover has a zipper at the top and the Core is inside)
- Unbox and unwrap Core and Cover - Be careful not to use sharp blades around the mattress
- Place the Core and Cover with the zipper up - Wherever you want your mattress
- Box 2 is the 3" comfort layer.
- Unbox and unwrap - Careful not to use sharp blades around the 3" Comfort Layer
- You unzip the Cover
- Insert the 3" Comfort Layer inside the Cover.
- Then zip it up.
- Enjoy!
